## We're The Pioneers

To a real sweet girl. I enjoyed being in your class. Lots of luck always.
James Burrough

**Forbearance and endurance were the watchwords of the early pioneers. Understanding and friendliness were the qualities shown by Centralites in 1955-'56 as we accomplished the following things:**

- ★ **Added Junior High**
- ★ **Welcomed a new principal, twenty-three new teachers, two new counselors, and a school nurse**
- ★ **Started integration**
- ★ **Initiated driver training equipment matched by only three high schools in the United States**

To a really wonderful Redskin, and congratulations for getting R.S. president. I have really enjoyed running around with you and I hope we remain friends forever.
Love,
Pauline

Mary Lou
I hope you get the offices you ran for. You really have what it takes.
Best of Luck & God Bless

# *Central has a program*

**Tops in Business Education with a record of 130 in shorthand, Priscilla Roberts, pupil of Mrs. Lucille Spann, holds a responsible job in a local business firm.**

**Consistent awards winner in state and city science fairs since the ninth grade, Carolyn Hill, college preparatory senior, is laboratory assistant for Mrs. Mary Lockwood.**

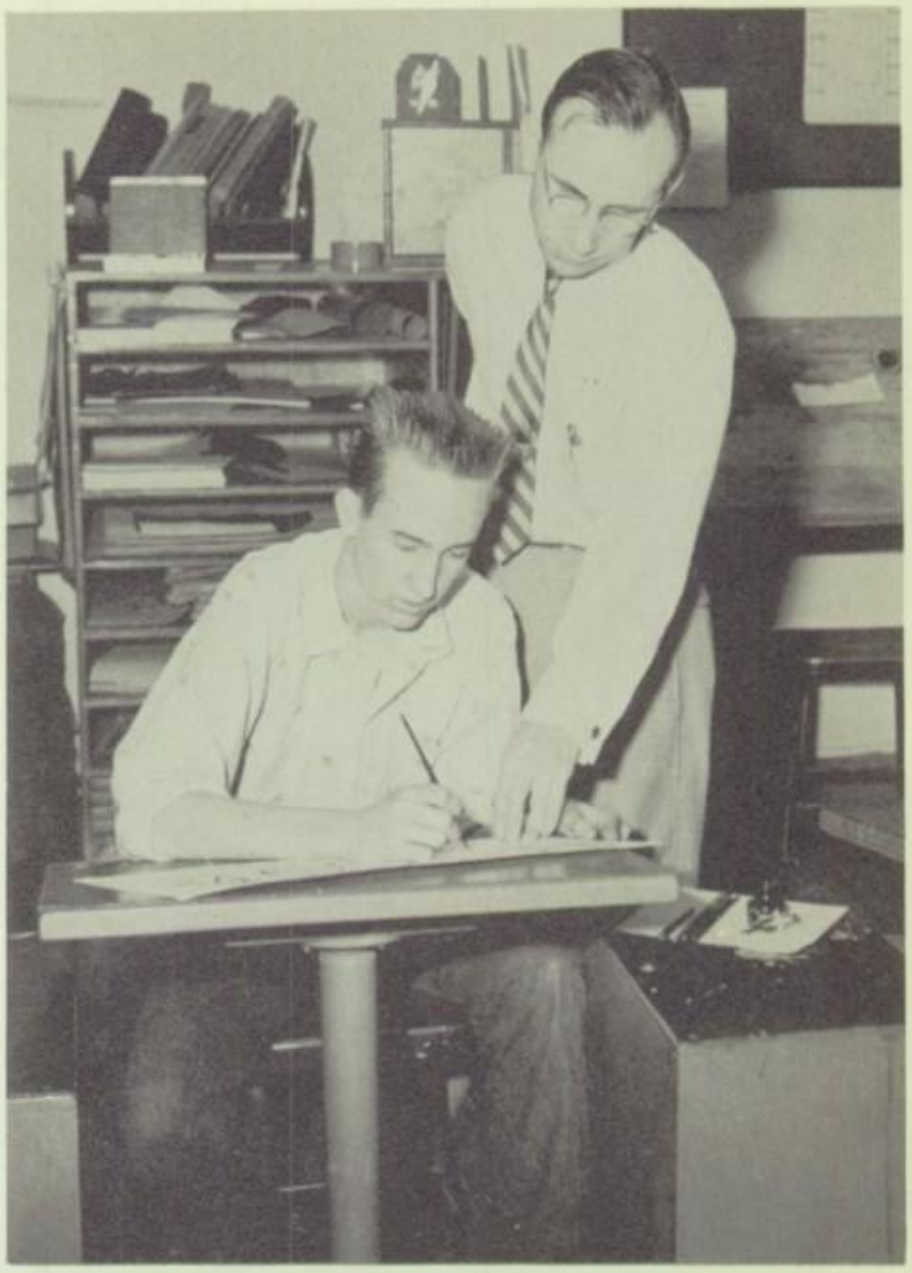
**Central offers only two years of any foreign language; Patsy Spurr and Janice Murphy, honor students, get special instruction from Miss Florence McClure and Miss Mary Ellen Volk in advanced Latin and French.**

# *that's three jumps ahead*

Art designer for Board of Education publications, for Central's activities, and for the city school's radio station, KOKHFM, Ronnie Clarke works under the guidance of Mr. Paul Ringler.

Tony Murphy is so much interested in psychology, taught by Mrs. Pauline Walker, that despite football injuries, he takes a field trip to Central State Hospital with his class.

Ruth Swanson introduces Mr. Otto Hinkleman, an Austrian musician now living in the United States, to members of her psychology class. Ben Bailey greets Central's new music teacher with a smile and a hand shake.

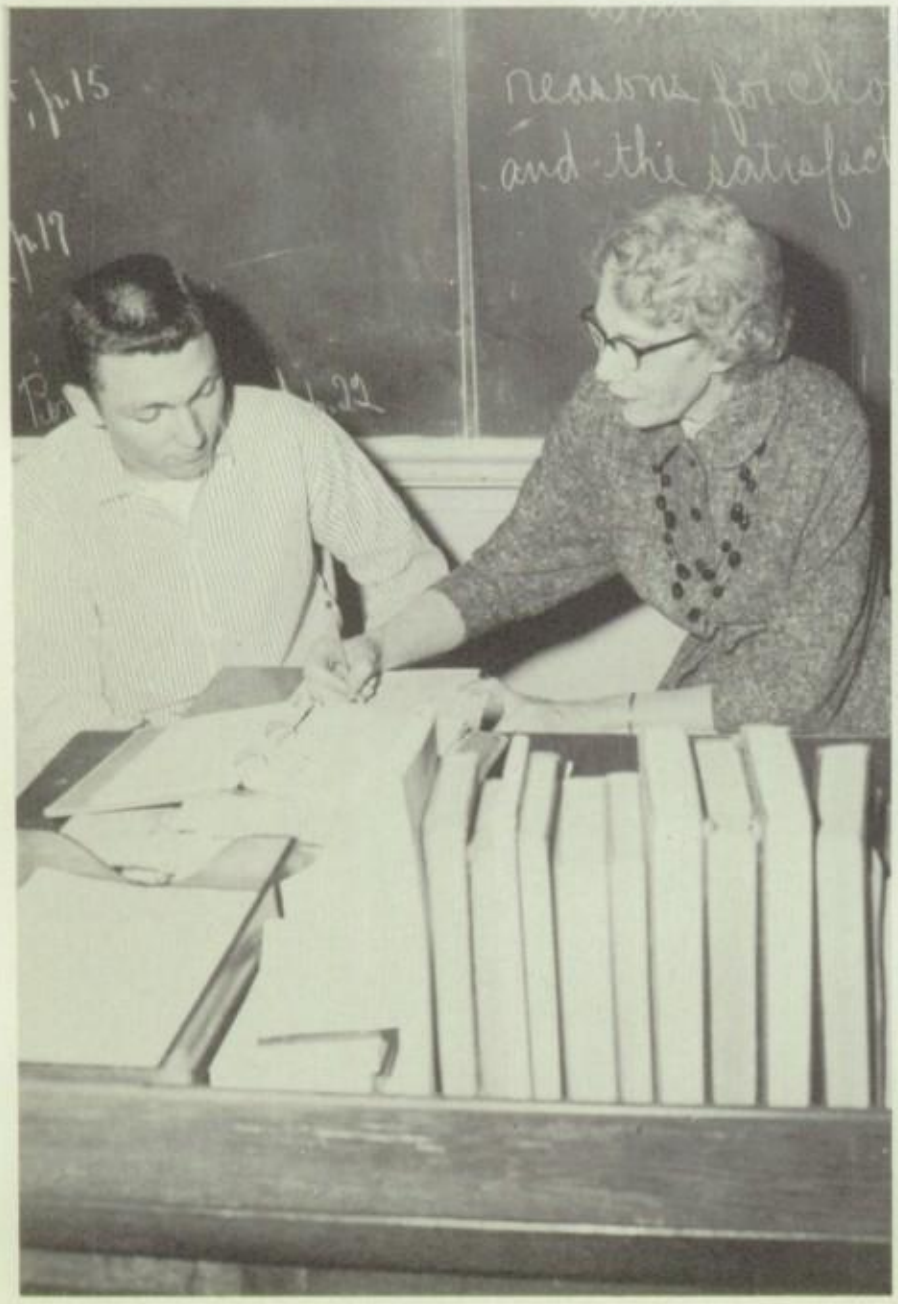


# *It's academic, vocational*

Miss Kathleen Lowther, excellent math teacher, instructs Eileen Raizen and Don Steffensen in trigonometry, one of the ten senior high school mathematics courses offered at Central.

Outstanding English teacher, Miss Ruth Rogers, makes suggestions regarding theme assignments in her college preparatory senior English class for Robert Taylor.

If static creeps in at the studio of the all-school radio station at Classen, people like Abe Greenberg clear it up as programs are transmitted at Central by Mr. C. D. Deal's radio class.



Learning to be a competent secretary is a big job, and Shirley Adair, shown here in comptometry class with Mr. J. S. Burleson, is acquiring invaluable training in the use of business machines.

The mark of distinction of American history teacher, Mr. M. V. Van Meter, better known as "Coach," is given to Helen Schlinke, star pupil, as she gives a report to her class.

Josephine Straughn Williams and Anna Kimball Knight, homemakers, exhibit the expert workmanship on their suits made in the Advanced Clothing class.

Dear Mary Lou:

I am going to write a book to you, and so I shall begin. Up until this year we didn't run around very much together; but this year — wow! We had a ball!! Those Monday nights were hysterical - especially with the buddy car! Boy! Those were wild times. Kid, I really think the world of you, and I'm sure you'll benefit greatly from all your good deeds towards others. Let's get together this summer while Billy Don is in Washington. Boo-koo thanks for all the fun we've had, and all the ice-cream cones you've bought me. See you in Choir next year! Take it easy and don't chase too many boys in red jaguars!

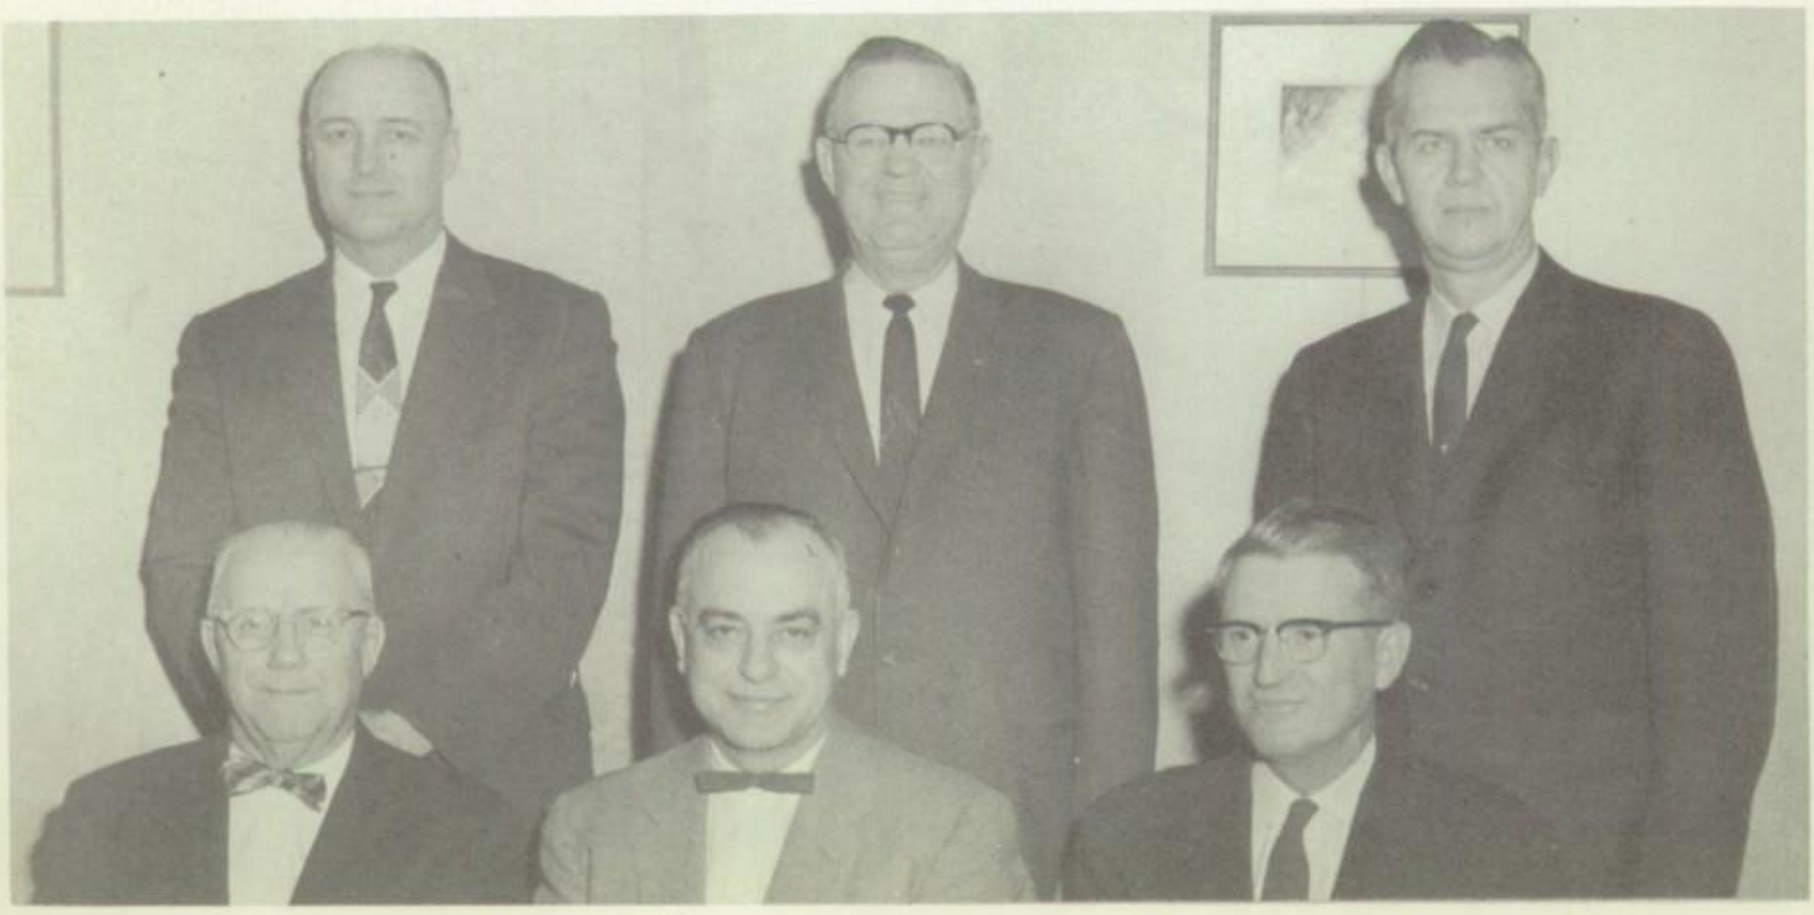
DR. J. CHESTER SWANSON
*Superintendent of Schools*
B.A., M.A., Ph.D., L.L.D.

Members of the Oklahoma City Board of Education, assistants to the superintendent, and directors of education work very hard to provide and equip the buildings, secure the teachers, and plan the diversified program offered to the students of our city schools.

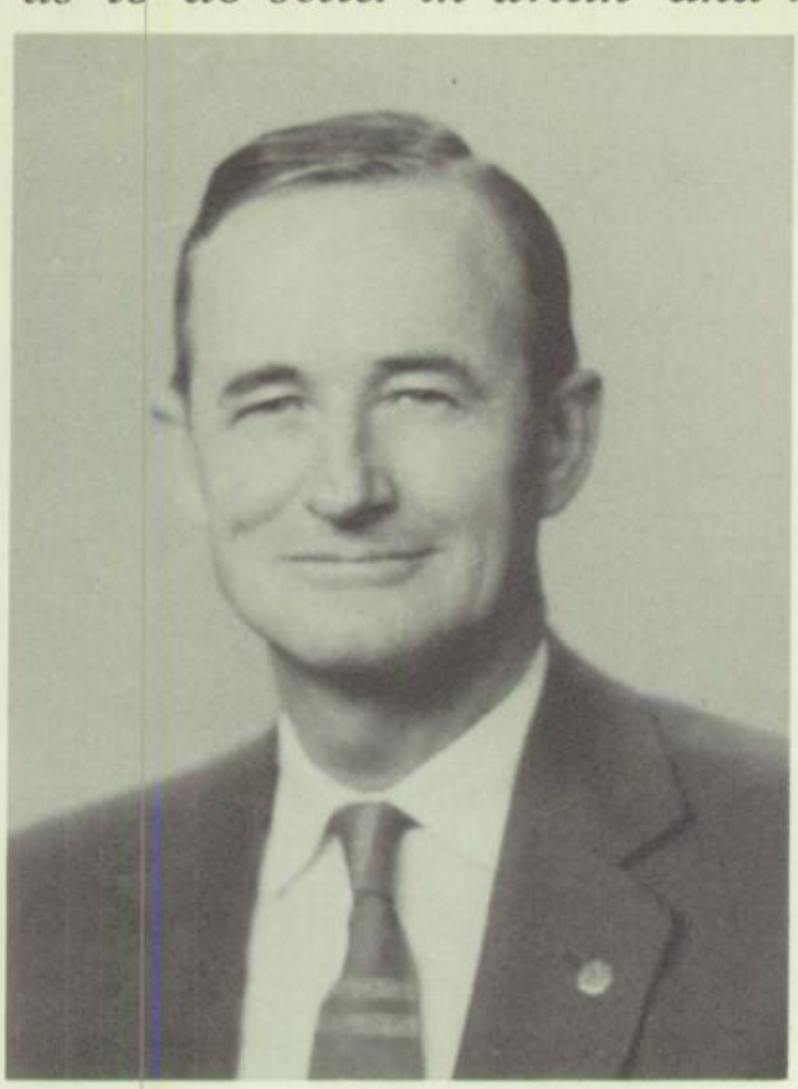
Dr. Swanson, who is now in his sixth year as Superintendent of Schools, is working far "beyond the call of duty" in attempting to arrange for our young people the finest education possible. Enthusiastic, untiring, and sincere in his interest in our welfare, he is outspoken in his demands for adequate funds for the schools, and helpful in his attitude toward teachers and students.

The efforts of all these fine people on our behalf are deeply and sincerely appreciated.

*Back Row:* Mr. Les Ballard, director of vocational education; Mr. Merle Burr, assistant superintendent; Dr. Melvin Barnes, assistant superintendent. *Front Row:* Mr F. R. Born, director of secondary education, formerly principal of Central; Dr. N. L. George, assistant superintendent; Mr. Gilbert Robinson, director of personnel.



*us to do better in writin' and readin'*



MR. J. FRANK MALONE
2, B.A., M.Ed.
*Principal*

Mr. J. Frank Malone. who this year is taking over the reins of leadership as principal, was our assistant principal from 1945 until 1951. With these six years of experience, plus a four-year term as principal at a junior high school, he brought a wide background of knowledge which has made him successful in leading us through our initial year as a junior-senior high. Mr. Malone shows a sense of friendliness and approachability to students and faculty; he exhibits a true school spirit, for he enthusiastically attends all activities of OHS.

Clarence Breithaupt has had a big job at OHS as assistant principal for the last five years. Along with aiding Mr. Malone in administrative duties, Mr. Breithaupt checks all records of the faculty members, and helps students to solve their problems. During the fourteen years previous to his present appointment, he served as basketball coach at Central. His best teams played during the years of 1931, 1937, 1938, 1939, 1940, 1945, 1946, and 1951.

## COUNSELORS

The counselors' jobs never end. Our advisers are always willing to give us help with our various problems, whether of a personal or of a financial nature, or related to school, jobs, or home situations.

These people handle enrollments, keep the students' records of credits, head the staff of the clinic, give vocational guidance, direct the testing program, and help students to get and hold jobs.

The young people of Central could hardly do without the counselors. They help the school to serve as the students' homes-away-from-home.

## CAFETERIA

The cafeteria under the direction of Mrs. Alcy Goldsmith, manager, and Mrs. Clyde Turner, production manager, gave us well-planned meals throughout the year. They provided us with good food at moderate prices in a pleasant atmosphere, and we are very grateful to them. In addition to the hot-food line in the students' cafeteria, a separate one was provided for the teachers in their own lunch room. This service is all given cheerfully by a qualified staff who also operate the snack bar where we could buy sandwiches, candy, and soft drinks.

## CUSTODIANS

The custodians at OHS under the direction of Mr. Grover Jenks, head custodian, have faithfully cleaned the halls, the gyms, the classrooms, and the grounds. They operate the elevator, not only for freight but also for those students who cannot negotiate the stairs. They handle all problems in regard to maintenance of equipment, from replacing burned-out light bulbs to repairing broken lockers. They are friendly, cheerful, and willing to assist at any time and in any way to make Central appear at its best.

## CLASS OF '56

As the class of '56, we leave Central with many fond memories and a feeling of accomplishment. Our three years at OHS have been spent in hours of study, relaxation, fun, making friends, and becoming better citizens.

We were the first class to wear our new standard rings. We were also the first class to leave a gift to our Alma Mater that involved more than buying something. Much time and effort was put forth in fixing a spare room into a meditation room for the whole school. Needed money for the project was earned by the selling of seeds.

We had a chance to show the fine dramatic ability of some of our members by putting on a highly successful senior play in "The Curious Savage," May 10.

The senior assembly, the senior luncheon, and the Junior-Senior Prom made our last month at Central gay, with the right amount of seriousness added at our senior sermon.

On May 25, Central's class of '56 graduated, 335 strong, looking back with joy and forward with hope, as "Hail, Alma Mater" was sung for the last time.

## SENIOR CLASS PLAY

An entertaining comedy, "The Curious Savage," was given by the senior class on May 10, 1956.

This three-act play is about a woman, Mrs. Savage, who inherits ten million dollars from her husband. Her step-children try to get the money by having Mrs. Savage committed to a sanatorium, where she forms many friendships. Later when she is released from the sanatorium, where she has met not only kindness but also unselfishness, she is rather hesitant about going out into a world dominated by greed and dishonesty.

Exhibiting their talents at the sanatorium are Curtis Schwartz, LaVeta Haney, Jim Orrell, Elaine Womack, Mike Leehan, Patsy Rieger, Norma Goodwin, and Ruth Swanson.

## CLASS OF '57

The first honors that came to the junior class this year were bestowed upon the four junior members of the National Honor Society, Patsy McKelvy, Richard Massey, Gloria Robinson, and Walter Conner. Many other honors came to the class of '57. The debate team of Barbara Craig and Jim Chastain has won many speech honors for Central, and Benny Morgan was an outstanding participant in school athletics. Jim was Boy of the Month for February.

Most of our activities revolved around the preparation for the graduation of the class of '56. These activities included the decorating for the senior sermon and for Commencement exercises, and the planning of the Junior-Senior Prom; also at graduation the seniors walked under flower-covered arches held by junior girls.

Although our year as juniors has been a memorable one, we are eagerly looking forward to our next year as seniors. '57, here we come!

## CLASS OF '58

We, the class of '58, look back on our first year at Central with very pleasant memories. It has been an exciting and happy experience for all of us. We are justly proud of a great number of our sophomore students who have participated in activities. Ronald Logan, Clyde Winkleman, and Jay Jimboy played on the "A" team in football. Roy Goad, Jerrell Sullivan, Malcolm Hager, Don Herring, and Harry Jones were members of the "B" squad. In basketball, our class was well represented on the "A" team by Theodore Thompson, Roy Goad, and Lequency Barnett.

The Exchange Club selected Ints Abolins as "Boy of the Month" for November; Roberta Blanchard was selected as delegate to the National Student Council Convention in South Carolina.

Playing in Central's Dance Band were Walton Briscoe, David Shaffer, Howard Somberg, and Ronnie Sills. Straight "A" students for the first semester included Sharon Cooper, Raynette Bishop, Vera Paisley, Joe Savage, Mila Mae Campbell, Martin Cary, John Shaffer, Emily Fox, Joyce Walker, and Lou Ann Osborne.

We are looking forward to our next two years, and we believe that the class of '58 will be one of the best to graduate from Central.

Class sponsors—*Back Row:* Miss Martha Truax, Joe Bush. *Front Row:* Miss Kathleen Lowther, Mrs. Eleanor Askew, chairman, Mrs. Dorothy Deardorf.

# Football

Central met BLACKWELL in football for the third time in history, with the Maroons winning 18-0 before 2,000 fans. Central set up Blackwell's three touchdowns with two fumbles and a blocked kick.

NORTHEAST beat the Cards in the second game of the season, for the first time in fourteen years, with a 20-0 victory. The Vikings scored on a 76-yard punt return in the first half, and on two pass plays covering 18 and 22 yards respectively in the second half.

Once again, jinxed by fumbles, and playing in the rain, the Cards dropped their third game of the year by a score of 20-7, made by half-time. Fumbles gave JOHN MARSHALL many opportunities which they cashed in on. The Cards scored on a short plunge by the fullback, Brumley, in the first quarter.

ENID ran over the Cards in the second Mid-State clash for both teams, 34 to 13. It was the Plainsmen most of the way in the first half as they ran three touchdowns across. Central came back to score on long pass plays for 55 and 45 yards respectively, with Graves and Heavener grabbing the handles.

On October 14, the big game of the year arrived for the Cards and NORTHWEST. Although Central lost 31 to 6, the Cardinals played one of their best games of the season to this point. Central had many breaks with good chances to score other touchdowns, but didn't quite cash in on them.

Central and GRANT, members of the new "Capital Conference," met on the football field for the first time. Both teams were unable to move the ball in the first quarter; Grant made a touchdown in the second quarter and one in the second half. Final score was 14-0.

The Cardinals traveled three hundred miles down to WACO, TEXAS, to play an interstate football game with the "Tigers." Central drew first blood in scoring on a 48-yard pass interception which Steele ran back all the way. But in the second half, Waco's "Tigers" opened up the "flood gates" as 49 points poured through to make the final score 56-6.

The Central Cardinals scored for the first time in three years against the CAPITOL HILL REDSKINS, but our 13 points were not enough for the Hill's 47. The Redskins ran wild the first quarter, scoring 33 points on beautiful runs made by their explosive backfield. The Cards' final touchdown came in the fourth quarter with a spectacular 40-yard pass play.

Central's next encounter was with a strong SHAWNEE team that had stood up against a powerful Capitol Hill force for a 20-20 tie. In a game that was full of "infractions of the rules," the Wolves went on for a 33 to 6 victory.

Then came the last game of the year with the Knights of ST. GREGORY. There was a crash; bones were heard to crunch; arms and legs were in a tangle for every play. After it was all over, the Red Birds had won their only game of the year, 26-13. Long, wild, and wooly runs were made by Brumley and Steele as they received beautiful blocking from the whole team.

## BASKETBALL

At the end of the basketball season last year, Coach Roberts anticipated an experienced team for the coming year, with four starters returning. But with one joining the Air Force and another getting injured in football, the experience on the first string was cut in half.

Central lost heartbreaking decisions by a single point to U. S. Grant and to John Marshall.

The Cardinals received additional height at mid-term from "six-five" Don McDuff, which enabled the Cards to show great improvement.

Starters for this year were Don McDuff, Robert Rickey, Bennie Morgan, Pat Price, and Theodore Thompson, with Jack Fryrear and Billy Workman doing most of the relieving from the bench.

**The Central Cards were "dark horses" when they went into the O.U. state tournament, the largest in the country, at Norman, but they came out like "shining thoroughbreds" when they pulled a major upset to win the tournament for the second straight year. They beat Madill, Duncan, McAlester, and Choctaw, and then beat Lawton in the finals in a blinding dust storm. Outstanding pitching by Jerry Graves was a main factor in the five victories at Norman.**

**Willis Warden made All-State for Central as he took everything that was hit in his direction at second base during the season. He also was designated "Player of the Year" by city sports writers.**

**With eleven lettermen returning, including Jerry Graves, Larry Tower, Robert Rickey, Tony Murphy, and Mike Brumley, all of whom received All-City honorable mention in '55, we are expecting an even bigger season in '56 under our new coach, Vince Robison.**

The Student Council is made up of student representatives from clubs, organizations, and homerooms. Their meetings are held during a regular class period, the last hour of each day.

During the school year they sponsor many activities; these activities are planned and carried out by committees made up of the council members. Among the things sponsored are the stores, which sell school supplies; the assemblies, and the big talent show which has now become a tradition. The council and its various committees have also fostered civic drives such as the Big One and the March of Dimes.

Exchange Day is a program sponsored by the Intra-City Student Council. One boy and one girl from each school go to another city school to visit all day. After each student returns from a visit, he reports to the council how the other school is set-up and run.

The Sportsmanship Code is also sponsored by Intra-City Student Council. When city schools play each other, representatives from the opponents' team are designated to judge the conduct of the team, coach, and spectators, before, during, and after the game. Points are taken off for unsportsmanlike conduct, and the scores are published in the sports section of the newspaper. A trophy is given at the end of the year to the school having shown the best sportsmanship.

This year was the first in the history of OHS that there was a Junior High Student Council. Under the direction of Miss Berniece Wester, the members had as their aim and chief purpose to prepare for senior high student council work, and to fulfill the desires and needs of the junior high students. The main projects undertaken this year were the forming of a pep club, the conducting of a clean-up campaign, and the writing of a constitution for the brand-new Cardinal Council.

With the motto, "We care; we share," Central's chapter of the American Junior Red Cross again this year lived up to its humanitarian ideals of giving service to community, nation, and world, promoting good-will, and developing leaders.

Activities this year included holding the annual membership drive, filling gift boxes, distributing candy-filled stockings, and decorating trees at hospitals before Christmas. Also, they shared in a pay assembly to help raise money for projects, and collected comic books for the Children's Convalescent Home in Bethany. In February the council took to the Veterans Administration Hospital a variety show which was very much appreciated. A Party-in-a-Box was taken to the Veterans Hospital in April.

A busy and productive year was ended by sending delegates to the Oklahoma County Junior Red Cross Training Conference in the spring.

## BLACK SHIRT

Members of the Black Shirt Pep Club have been some of the most loyal supporters that Central has had this year. The boys have contributed much to the school spirit by their regular attendance at all of the athletic events to yell for our teams.

Their activities have consisted of a spring and a Christmas dance, the Black Shirt Preview, and participation in the Cardinal Follies and in the Central Fun Night stunts.

Bob Davis was honorary member of the club this year.

## BLACK SKIRT PEP CLUB

The Black Skirt Pep Club is the youngest Pep Club at Central, and the girls are mighty proud of the vim and vigor they show. There were 115 members in the Black Skirt Pep Club this year, the largest membership since the club was founded in 1940.

Some of the activities of the Black Skirts were the Founders' Day Banquet, the Spring and Christmas dances, and the club initiations. In addition to supporting the teams and co-operating with the student body in upholding the city-wide Sportsmanship Code, they sponsored the printing and distribution of the basketball schedules.

The Black Skirts have had two honorary members this year. Norma Camp was chosen first semester, and Ellen Albert the second semester.

Admiring the Cardinal Follies trophy won last year by the Black Skirts are Jimmy Baker, Beau; and Sylvia Wheeler.

The Red Shirt Pep Club, one of the oldest of its kind west of the Mississippi, was organized in 1921 and is now under the sponsorship of Mr. Jim Johnson and Mr. Joe Bush. Its chief aim and purpose are the promotion of a better pep club and the stimulation of enthusiasm in the student body for the athletic teams.

Red Shirts hold weekly meetings and sponsor two dances a year. They take part in the Cardinal Follies; their theme this year was "From Tepees to Towers." This skit, featuring Oklahoma's colorful history, won them second place.

The members are proud of the fact that many of them held individual honors such as being chosen Junior Rotarians, making the Honor Society, holding all-school or class offices, playing on the teams, and being winners in speech contests. Also, some of them were chosen as city officers for a day, oil men for a day, or representatives to various conferences held at O.U. and A. and M.

# Pep Club

Dear Mary Lou,
It has been wonderful knowing you and being in R. S. with you. I'm sure you'll make a wonderful president. It was so hard for me to keep from telling you. I'll always have a soft spot in my heart for you. God bless you.
Carol Cook
R. S. Pres. '56

The Red Skirt Pep Club, whose main purposes are to furnish pep at the games and to render services to the school and community, was organized in 1928, making it Oklahoma City's oldest pep club for girls.

This year the most important services the girls did were cleaning the trophies in trophy hall, selling peanuts for the Big One Drive, selling tickets for the Junior Chamber of Commerce Pancake Day, and selling poppies for the War Mothers. Ushering at the Municipal Auditorium and building floats for parades were just a few of the other numerous activities of the Red Skirts. They won first in the Follies Contest.

Besides yelling the boys on to victory by attending all the football, basketball, and baseball games, the girls had three social events which were the football banquet in November, the Christmas dance, and the spring formal in May. Out of a membership of eighty-five, twenty were either queens, attendants, or sweethearts; seventeen were members of the National Honor Society; and thirty-three made the honor roll.

This year of '55-'56 will always be remembered as one of the most outstanding in Red Skirts' history.

*Honorary members*: Miss Maybelle Conger, Mrs. Pauline Walker, Miss Doris Taylor, Miss Mary Neel.

The Band Boys Club was organized in 1944; the constitution was accepted by the Student Council in 1954. The purpose of the club is to promote more and deeper interest in Central's band; the members have many activities throughout the year to further this purpose.

Annually the group selects a sweetheart; this year Shelia Bruce was chosen. Mr. Irwin, Central's industrious band director, is the sponsor.

The Band Girls Club was organized to assist in all activities participated in by the Central Band. Sales, campaigns, parades, drills, and all other interests were promoted by the club, sponsored by the band director, Mr. Irwin. Parents of students in the music department at OHS are always eager to help in affairs of the school. One of the biggest undertakings each of the last two years has been the Cardinal Follies. Both the Dance Band and "The Pride of O H S" contributed markedly to the success of the Follies. Band girls feel that through their organization they and their parents can best be of service to the band and also to Central.

# *Red Skirt Drum and Bugle*

Hear the sound of drums and bugles! See the snap of hands and feet! Here comes Central's Red Skirt Drum and Bugle Corps. The well-qualified Majorette, Darla Taylor, leads this organization at football games, parades, and basketball games. One of the biggest events of the year was the splendid representation the corps gave at the Tri-State Music Festival at Enid this spring.

For the first time in fifteen years the corps acquired new chrome-plated bugles which every girl in the corps received with pride.

At the first of the year these girls participated in the big Capitol Hill Homecoming Day parade, and walked away with a beautiful trophy for first place in the Drill Team Division. They have worked hard and long to receive honors, such as this one, for Central.

The girls in Drum and Bugle would like to thank their director, Mr. Jack Irwin, for his enthusiastic help and leadership.

## BLACK SKIRT DRILL TEAM

The Black Skirt Drill Team, organized in 1950, has progressed much in the 1956 school year. They started the year off with new jackets and soon acquired new hats.

The Drill Team started the year early with lessons during the summer in preparation for marching at the Oil Bowl game in Wichita Falls, Texas. Throughout the year they marched in several parades and at football and basketball games during the half time.

They also participated in the Cardinal Follies, and at Fun Nite, and helped the Band at the State Fair.

# Central Choir

Zora, Ann and Mr. Platt look over some new music.

This year was an active and productive one for the a cappella choir. Under the direction of the new sponsor, Mr. John Platt, a Central graduate, the group presented its annual Christmas program on December 19, and on the same day carolled through the halls to add the last touch of Christmas spirit before the holidays.

The choir compiled and published a student directory to raise funds for new equipment, for trips to festivals, and for all-around general improvements. Out of this fund the group purchased white stoles which were proudly worn with the regulation red robes.

The members of the choir were so enthusiastic about their organization that many of them met for extra practice daily during zero hour. This effort paid off in fine performances given before the P.T.A., for various civic groups, and in assemblies.

*Top Row*: Betty Ann Brown, Miss Eva Chowning, sponsor, Beatrice Lincoln. *Bottom Row*: Patsy Raines, Daphne Rose, Sylvia Wheeler, Linda Watkins. *Not Shown:* Alice Lane, Sue Scott, Ruby Marie Alvez, A. B. Key, Wilma Ray.

With the assistance of Miss Eva Chowning, sponsor, the library aids work day in and day out assisting Central students. Thirteen girls and one boy who are interested in library work, which consists of shelving books, keeping card files, and checking books in and out, received one-half credit a semester for their services.

Miss Chowning says that she had an exceptionally good group this year, and that she couldn't do this job alone.

Aside from their hard work, they had good times, too. They had a meeting each month where they discussed library problems. On Valentine's Day, they had a party, and they completed the year with their annual spring picnic.

Officers for this year were Bethene Palmer and Sylvia Wheeler, presidents, and Daphne Rose, and Linda Watkins, Social Chairmen.

# Science Club

In March the enthusiastic members of Central's Science Club celebrated their first birthday by sponsoring a Science Week. Their purpose was to promote interest in science among the younger students at Central and to stimulate general interest in science, at home, in industry, and in school.

The main purpose of the club is to help support the state Science Fair, held annually in the Municipal Auditorium. The club took the lead in the formation of a State League of Science Clubs.

The members are invited to attend meetings of the State League at which they hear leading scientists of the United States. The club also writes and edits the only state-wide science newspaper.

# *Thespians*

Central's Thespian Club, troupe number 822, which was organized in 1947 under the direction of Miss Maybelle Conger, is one among the 1,561 troupes in America. Miss Conger has been the regional director of all the Oklahoma Thespian chapters for the last two years.

Central has been for three years the host school for the all-day Thespian state conference held in the spring.

Their other main activities for the year '55-'56 were the formal initiation held in the cafeteria in December, at which fourteen new members were initiated, and their skit in the Cardinal Follies entitled "The Witches' Curse, or What Happened to Macbeth." The skit placed third.

Thespians are usually the ones who get all the honors in speech work. This year three of the Commencement speakers and those playing the five leading roles in the senior play were Thespians.

With a membership of thirty-four, this outstanding Dramatic Club met on the second and fourth Mondays of each month.

Every year the club elects the best Thespian, and this term Wayne Ward, who served as first-semester president, was chosen.

*Back Row:* Judy Dryden, Joe Savage, Albert Fuller, Bob Cary, Doug Overstreet, Jerry Baker, Barbara Craig. *Front Row:* Susan Giles, Jenny Lou Avant, Linda Green, Jane Yamagishi, Vera Paisley, Dixie Wells, Gail Womack.

The Masquers is an honorary dramatic organization which promotes interest in the dramatic arts and develops acting ability in its members.

The Masquers has been under the direction of Miss Maybelle Conger since its founding in 1938.

Among the 216 Masquers alumni are J. F. Jerkins, of WKY-TV; Don Chastain, singer at the Moulin Rouge in Hollywood, and Bill Bellamy, editor of the San Antonio Express, who was named outstanding young Texan for 1955 by the Texas Junior Chamber of Commerce.

# National Forensic League

It is an honor for a speech student at Central to belong to the National Forensic League. The enthusiastic sponsor, Miss Maybelle Conger, received a diamond key pin in 1953 because of the points earned by her pupils over a period of fifteen years. The present members are trying hard to win her another pin.

To be a member requires twenty points earned by going to tournaments in different events such as dramatic reading, humorous reading, extemporaneous speaking, debate, and other forms of speech work. There are four degrees which are received by the earnings of more points.

*Back Row:* Abe Greenberg, Dick Roby, Nance Coffey, Jim Chastain, Jim Orrell. *Second Row:* Daphne Rose, Judy Mitchell, Claude Long, Miss Maybelle Conger, Ruth Swanson, Barbara Neal. *Front Row:* Dixie Wells, La Veta Haney, Barbara Craig, Beverly Roberts, Mike Leehan, Elaine Womack, Curtis Schwartz.

## Distributive Education

There are some very exceptional students at Central who are in Distributive Education. These students attend school half a day and work the remaining half at their various occupations. Through D. E., students receive experience in the business world by a co-operative arrangement with Oklahoma City business firms. They are graded by their employers as to the efficiency of their work as well as by their teachers. The experience students gain through D. E. training enables them to obtain jobs more readily and to hold them with more assurance.

## Diversified Occupations

The Diversified Occupations program is made up of junior and senior students who have selected their lives' careers. These students work half of the school day on their jobs. Students receive school credits and experience in their chosen trades, through a co-operative agreement between the business firms of Oklahoma City and the high school. Pupils are graded by both employers and teachers. Many of these students remain as full-time employees at the places where they were trained.

## Projection Club

The projection class, under the direction of Mrs. Marion Jarrell, has eighteen boys and one girl. Its sole purpose is to show films to any class at Central at any hour of the school day.

A room has been set aside for films, but special showings may also be arranged for the auditorium or for those class rooms equipped with dark blinds.

The only compensation for the hard work and service the members of the projection class do is a half-credit a semester.

## Future Teachers

The Central chapter of the Future Teachers of America is very active, with meetings after school every two weeks on Wednesdays. Speakers are invited to the meetings, which are held to help members learn how to become better teachers. Social meetings are held at night in the homes of members. All of the members this year sincerely enjoyed the experience of taking teachers' places in elementary schools for a day. Mrs. Mary Lockwood is the helpful and interested sponsor.

# Central Business Club

Wilma and Shirley serve Sandra, Donna, Lou Ann, and Anita at Christmas party.

Central Business Club, formerly known as Future Business Leaders of America, was newly organized this year, and is under the direction of Miss Jo Alice Hendricks. Its aim and chief purpose is to prepare its members for business careers. Meetings were held once a month in the Cardinal Room, and at each meeting a prominent business personality spoke on the do's and don'ts of business, office procedure, and office appearance. The social events of the year were the Christmas party and the spring picnic.

The Hi-Y club is an international club open to all boys. Coach Van Meter has been sponsoring the Central group for thirteen years. Each year the Hi-Y conducts a scrap paper drive in order to raise money for social functions, such as the Hi-Y—Y-Teen spring and fall parties. This year the Central club played in the Hi-Y Inter-Club Basketball League.

The state-wide Youth and Government program, which convenes annually at the Oklahoma State Capitol, was held in January with three boys from Central attending. J. B. Brannen and Walter Conner served as members of the House of Representatives, and Mitchell Brantley served as press reporter.

The world-wide Young Women's Christian Association celebrated its Centennial this year, commemorating one hundred years of service with Y.W.C.A.'s in sixty-six countries. The Y-Teens, one of the many groups in the Y.W.C.A., participated in a nation-wide peanut selling campaign, with the money to be used as a foundation for the next one hundred years. Central's group was top in city sales.

The Central Y-Teens have the largest membership they have had in several years, with the high lights of the year being the Hi-Y—Y-Teens Christmas party, the Hanging of the Greens, The Annual Sweetheart Dance, and Rally Day at Camp Ione.

# National Honor Society

The National Honor Society, founded in 1922, is the oldest chapter in the state. Membership in this club requires an A minus average on the part of juniors, and a B plus average on the part of seniors. A committee composed of faculty members choose the members on the basis of scholarship, leadership, character, and service to the school.

After being inactive for the past three years, the O Club, an honorary organization for lettermen here at Central, has recently reorganized.

The main purpose of the O Club is to promote all school activities and to stimulate a greater interest in athletics.

At the time of reorganization there were twenty-six members, the five coaches who are sponsors, and Miss Doris Taylor, the club sweetheart. The new basketball and spring sports lettermen were initiated the second semester.

This year the club presented for the first time an O club award based on athletic and scholarship abilities. To be eligible for the award, lettermen must be members of the O Club. Fifteen points are given for letters in football and basketball and fewer points for spring sports. In scholarship, four points are given for an A, three for a B, two for a C, one for a D, and minus one for an F.

In their first project of the year, the club members made $257 for the athletic department by running the concession stand for that portion of the State Basketball Tournament which was held here at Central.

## TRADE AND INDUSTRIAL CLUB

The Trade and Industrial Club at Central celebrated its third birthday this school year of '55-'56. One of the sixty-two chapters in Oklahoma, it has sixty-five members, and initiates twice yearly.

In September the group held a pre-initiation picnic; December saw them crowning Janet Edwards, sweetheart, and DeWayn Fanning, beau. March 2nd was Duncan Youth Development Day when the western district officers, sweetheart, and beau were elected. This was followed by a banquet and a dance. During May the State Field Day competition was held, an intervocational competition with election of state officers, sweetheart, and beau, followed by a banquet and dance.

The impressive initiation stresses the club purposes.

The T. and I. Club has as its purposes:

1. To develop qualities of leadership.
2. To encourage social and recreational activities.
3. To develop qualities of stability and self-confidence.
4. To promote scholarship among the members.
5. To familiarize the members with a broader view of the world's work.
6. To assist one another in securing a better understanding of the common problems.
7. To cultivate a friendly and cooperative spirit among the members, teachers, parents, and the employers in the community.

# Ciceronians

Mr. Ralph V. Miller, co-Sponsor; Dennis de Freese, Tom Moses, Jim Orrell, Jack Hall, Mr. A. J. Marshall, Sponsor.

During the past year, the Ciceronian Debating Society was reorganized under the guidance of Mr. A. J. Marshall, their new sponsor. The members hope to resume the past traditions of the club, which was started in 1911. One of the oldest organizations in school, having been continuously active since this present building was constructed, the Cices number among their alumni many distinguished citizens of Oklahoma City.

The purposes of Ciceronians are to promote speech activities and to develop fellowship and leadership. For years the traditional rivalry between Jeffs and Cices has occasioned many hot debates and forensic contests.

Les Beaux Arts Club was founded in 1921 by Miss Grace Chadwick. Mrs. Anita Kramer has sponsored the club for the past eight years. The main tradition and purpose is to further art appreciation and to create a general artistic interest for all Central students. Membership is based on interest in art; any Central student is eligible. This year the club decorated a float for the Central-Northwest game, and presented an act in the Cardinal Follies. The group visited Oklahoma City's Art Center, and helped the Junior Red Cross with the making of favors for hospitals. L. B. A. held two semi-formal initiations this year.

A Golden Anniversary was celebrated this year by the Jeffersonian Debate Club, making the Jeffs the oldest club of its kind west of the Mississippi. The boys celebrated by holding their annual Jeff Stag Banquet at Beverly's Restaurant, which many of the alumni attended. At the banquet, they presented to Miss Eva Chowning, their sponsor, a plaque of appreciation commemorating her years of service and loyalty. The Jeffs have two initiations during the school year. Meetings are held on Monday evenings in Central's library, where many vociferous debates are heard among the boys. Congratulations to the Jeffersonians!

# *Printing*

The printing trade is just one of Central's vocational courses. Their program consists of a one-hour length class for sophomores, and a three-hour length schedule for juniors and seniors. Students from all parts of Oklahoma City are taking advantage of this excellent opportunity to learn composition, linotype, presswork, and bindery.

The training and experience gained in this class have enabled many boys to work their way through college. Many also have been able to work half a day while still in high school. Several printing trade graduates have received enough training just in their work at Central to go directly from here without further training and obtain full-time jobs with very good pay.

## SOONER SPIRIT

Cries of "Where's that copy!" pierce the air in Room 118 twice a month, letting everyone know that the next edition of the Sooner Spirit is about to go to press.

Since its debut in 1921, the Sooner Spirit has never missed a deadline, and has brought Central much recognition for the fine service it gives to our student body.

Each semester the Sooner Spirit is sold on the subscription basis for seventy-five cents.

All students must have at least a "B" average in English to be in journalism. After they make the class, they learn by doing the actual writing. This encourages the students and helps develop competent writers.

Central students are the only ones in the city who print their own paper and take all their own pictures.

This year the staff sponsored a Sweetheart contest to help sell subscriptions. The student body elected Dorothy Jeffrey as the *first* Sooner Spirit Sweetheart!

Ten members of the staff and their sponsor, Mr. Jim Johnson, attended the National Scholastic Press Association convention at Chicago in August. Also, delegates were sent to the Oklahoma Interscholastic Press Association Spring and Fall Conferences at the University of Oklahoma. The first semester editor, Ann Schuneman, was the second vice-president of the O.I.P.A. Katherine Scott was secretary of the O.C.I.P.A.

## JUNIOR HIGH ACTIVITIES

Though the junior high pupils may be new to Central, they didn't waste any time catching on to the ways of the "old-timers." After a few weeks of school had elapsed, thirty pupils saw how the other pep clubs worked, and with help from Mrs. Ruth Coffey, their sponsor, they launched a new club, the Cardettes. Six cheerleaders were chosen by the other pep clubs.

Junior high boys, coached by Mr. Jack Lester, organized basketball and track teams which were able to compete with other junior highs.

Our junior highers also made a fine showing in the music department. Under the direction of Mr. John Platt, three junior high vocal music groups operated enthusiastically. The junior high band, with Mr. Jack Irwin as director, also did a splendid job in this "pioneer" year of Central's history.

# Cardinal Follies

Beatrice Lincoln and Kaye Rice, Les Beaux Act; Dorothy Jeffrey, horse's head, Ann Schuneman, the other end, Black Skirt Act; Glenda Goodgion and Kenneth Womack, Red Skirt Act; Rosemary Thies and June Hicks, Y-Teens Act.

The Cardinal Follies of '56, "Treats in Tempo," was directed by Mr. Jack Irwin and Miss Maybelle Conger. This was the largest and most ambitious undertaking of the school year. More than 300 persons, students and teachers, cooperated in an all-out effort, culminating in three performances of the nine-act extravaganza. Clubs participating were the band, the choir, Red Skirts, Black Skirts, Black Shirts, Red Shirts, Les Beaux Art, Thespians, and Y-Teens.

Elaborate backdrops were constructed by Central students and instructors. All lighting effects and backstage duties were taken care of by Central personnel. Music was furnished by the Central Dance Band. This three-hour display of talent was a huge success, both as entertainment and as a financial enterprise. Proceeds will be used for Central activities.

This was the second annual presentation of the Cardinal Follies, originated by Mr. Irwin in 1955. Patrons and students alike are grateful to Mr. Irwin for his untiring efforts on behalf of this huge production.

*Girls' First Letzeiser*

The Letzeiser Awards are the highest honors which may be won by Central students. First given here in 1914, they represent achievement records made by students who must have attended Central for six semesters, and who must have top-notch grades. Winners must also have participated in activities, have shown high standards of character, and have been recommended by a faculty committee. Announcement of the winners of the Letzeisers is the climax of the annual Awards assembly, held traditionally in the first week in May.

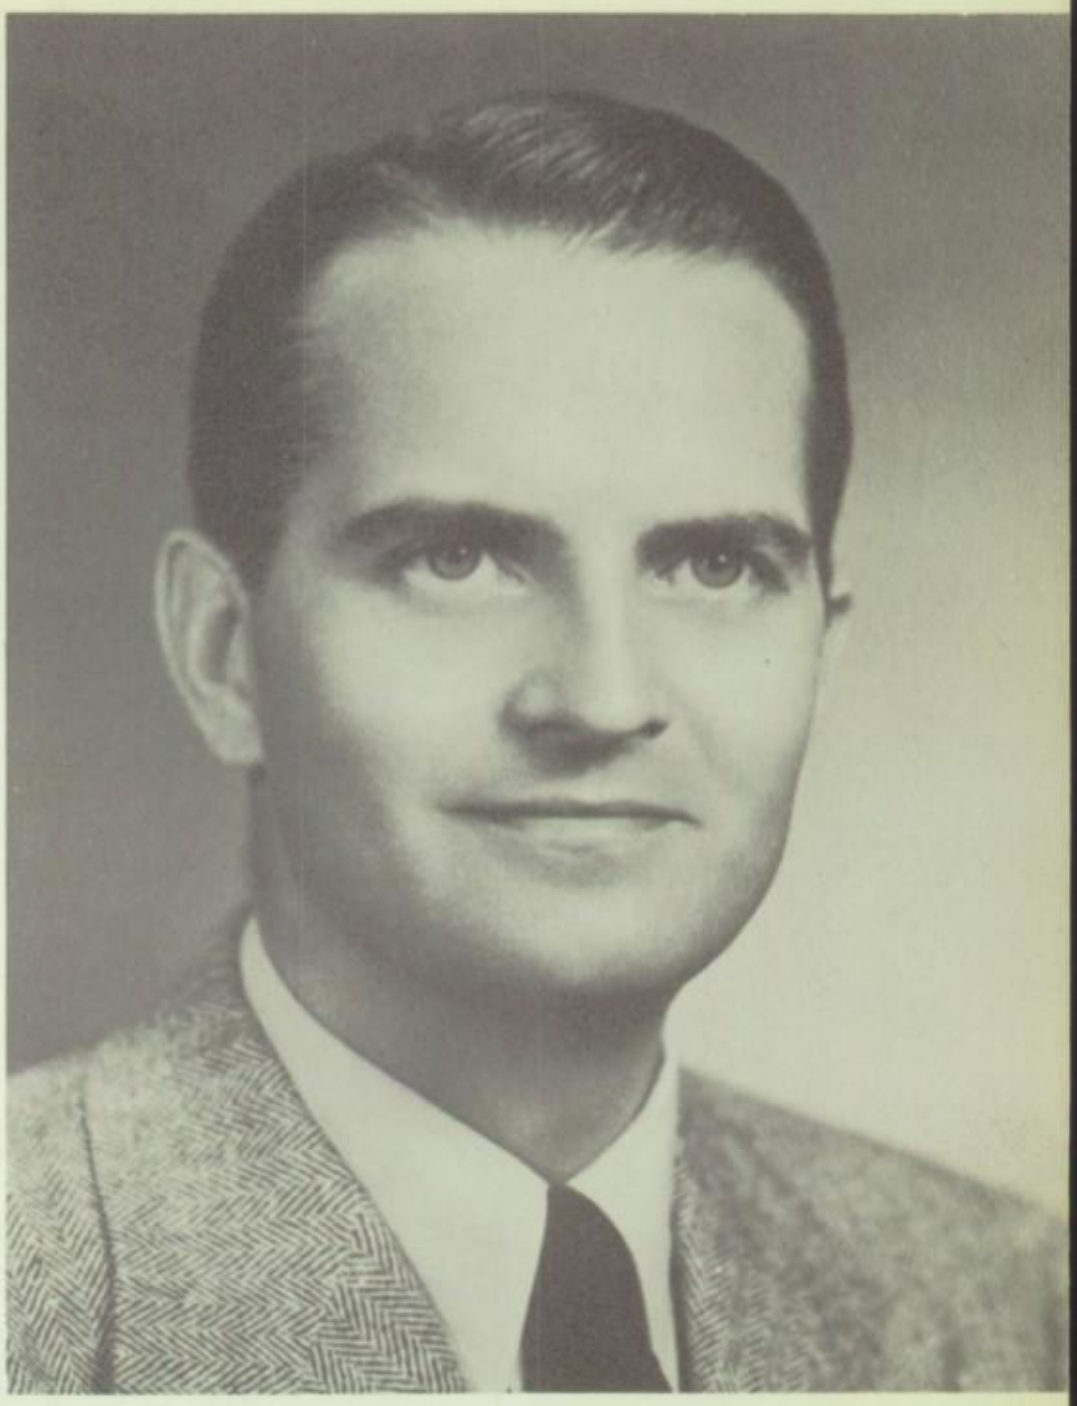
# *Alumni Honors*

Sequoyah and Will Rogers, Sooner "pioneers," were Oklahoma's contributions to the national Hall of Fame in Washington, D. C.

Central's contributions to the United States Congress are John Jarman and Mike Monroney. While in Central, Congressman Jarman won a national speech award, and Senator Monroney played on a state championship football team. Best known nationally of Central's approximately 23,000 graduates, these two men represent the high degree of service being exhibited in our nation's capital city by persons who have decided to make a career of statesmanship.

Among recent achievements made by other Central alumni are these: Allen Street is present mayor of Oklahoma City; Buck McPhail, All-American from O.U.'s Big Red football team, was selected most valuable player on the All-Army squad of 1955; Donald James in 1956 won a year's scholarship granted by Rotary International, providing a year's study in Zurich, Switzerland; Carolyn Way graduated among the top twenty in her class at O.U. in '55 and will teach in Arkansas University in 1956-'57; Bill Harper studied two years on a Fulbright scholarship providing voice training in Italy, and George Brown, editor of the Sooner Spirit in 1955, is now at the University of Pennsylvania on a full scholarship.

Central is proud of her distinguished alumni, and expects great things of those who are now students in this, the oldest high school in Oklahoma City.



CONGRESSMAN JOHN JARMAN

SENATOR MIKE MONRONEY

Dear Mary Lou,
I will make a wonderful president, one that R.S. can be proud of. Love,
Mary Ellen

Dear Mary Lou,
I'm really looking forward to being with you next year. I know we'll have a real sweet year. You'll be the best of luck sweetheart.
Love Jean
(R.S.)

To the sweetest person I know — you'll go far in Redskirts & in Central —
Mike Feehan

Congratulations on getting to be president of Redskirts. — I know you'll have a wonderful year and Senior year to come — Love ya.

Dear Mary Lou —
I wish you luck in your coming presidency. I know you will have a wonderful year and I'm looking forward to serving with you. Love ya,
Pat
P.S. I know really enjoyed visiting you last summer. I know you have a wonderful year and senior year here and really go far. Best of luck always.
Please never forget me.
Love you,

To a real
sweet girl. Hope
you have lots of fun
next year. Loads of luck
Jim Wells

Mary Lou,

You're a very fine girl
and I'm sure you will
make one of the outstanding
senior girls next year, and
by far the best Redshirt Mgr.
I certainly wish you the
best of luck, & may God guide
you through every bright
avenue.

Mary Lou —

I just can't expressin words what I'd like to say but I think you are a wonderful Christian [illegible] so much of. I have truly enjoyed knowing you and being in R. A. with you. You have a great personality and we've had so much fun together. You don't know how happy I am over your getting Pres. because I know you are so glad and the girls couldn't have elected a finer nicer girl than anyone I have ever met. I know you'll do a good job & I'm happy to help you by being one of the officers. The best of luck in everything you strive to do later. Good luck to a swell girl

Love Kitty
